

Highlands Ranch Mansion

Event Guide

The Highlands Ranch Mansion, owned and operated by the Highlands Ranch Metro District, offers elegant indoor and outdoor settings for weddings, receptions, holiday parties, as well as business meetings.

Once part of a vast ranching empire in Colorado, the Mansion is located within the future 250-acre Highlands Ranch Historic Park that includes a working ranch. The Mansion is surrounded by historic barns, a bunkhouse, ranch houses, corrals, pastures and the iconic windmill.

The 22,000-square-foot Highlands Ranch Mansion has been home to cattle barons, oil tycoons, prominent Denver socialites, as well as political and business leaders who helped create the Colorado we know today.

This western estate, with spectacular views of the front range, is a unique setting for weddings, receptions, conferences and other special events. The Mansion and south lawn area provide a wide variety of options for indoor and outdoor events. Decorated in a range of historic periods, representative of the many families that lived at the Mansion, we guarantee that you and your guests will have a memorable day.

I. Facility Information

The Highlands Ranch Mansion has numerous indoor and outdoor spaces available for your event. You have the option to rent the entire building and to use the various rooms and outdoor areas for different elements of your event, or you may rent only the Carriage House.

The Carriage House is the largest and most versatile space and is available for receptions, ceremonies and large meetings. Renting the Carriage House allows you use of this large indoor area and the outdoor back lawn for your event. Your guests will be able to tour the historic rooms on the ground floor, but you will not be able to use these rooms for your event.

Renting the entire building provides all of the above plus use of the historic rooms on the Mansion's ground floor. These historic rooms may be used for gathering areas, receptions, catered events and bar service.

Wedding parties using either option will have access to the groom's room on the ground floor and the bridal suite on the second floor.
